

0047218 "DP 218" Li-Ion Battery for Fuji NP-60

- Lithium ion battery with particularly long service life, allows you to use your camera for a long period of time
- Brand-name cells ensure longer service life and stable life cycles
- Safety electronics to protect the cells
- Polyswitch stops current flow in case of damage or overheating
- Assured quality thanks to continuous control of the safety electronics and a reliable capacity indication
- Gold-plated contacts prevent oxidation and ensure optimum current flow
- 5-year guarantee

- Equivalent to Fuji NP-60/Pentax D-Li2/Casio NP-30/HP R07/Kodak KLIC5000/Olympus Li-20B/ Panasonic CGA-S101A/Rollei NP-60/Ricoh DB40/Samsung SLB1037/Samsung SLB 1137/Toshiba NP-602

Technical Details:

- Model: Li-Ion
- Power: 3,7 Wh
- Capacity: 1000 mAh
- Voltage: 3,7 V
- Colour: Black
- Device Specific: Yes
- Usage: Digital Camera

Scope Of Delivery:

- 1 "DP 218" Li-Ion battery

EAN:4007249472182

0047226 "DP-226" Li-Ion Battery for Casio NP-20

- Lithium ion battery with particularly long service life, allows you to use your camera for a long period of time
- Brand-name cells ensure longer service life and stable life cycles
- Safety electronics to protect the cells
- Polyswitch stops current flow in case of damage or overheating
- Assured quality thanks to continuous control of the safety electronics and a reliable capacity indication
- Gold-plated contacts prevent oxidation and ensure optimum current flow
- 5-year guarantee

- Equivalent to Casio NP-20

Technical Details:

- Model: Li-Ion
- Power: 2,4 Wh
- Capacity: 650 mAh
- Voltage: 3,7 V
- Colour: Grey
- Device Specific: Yes
- Usage: Digital Camera

Scope Of Delivery:

- 1 "DP 226" Li-Ion battery

EAN:4007249472267
