The wooden parts of the changer can also be polished with a light wax to help maintain their appearance.

Take care when handling or moving the furniture. Careless handling may cause damage.

## YOUR CHILDREN'S SAFETY IS YOUR RESPONSIBILITY

Safety notes:

Warning: Do not leave your child unattended.

Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires etc. in the near vicinity of the unit.

Keep children clear during assembly as pack contains small parts which may present a choking hazard.

All assembly fixings should always be tightened properly. Care should be taken that no screws are loose because a child could trap parts of their body, or clothing (e.g. strings, necklaces, ribbons, dummies, etc) which could pose a risk of strangulation.
