ABOUT B&O PLAY

B&O PLAY is considered one of the world's leading lifestyle audio brand for young, urban creatives. Founded in 2012 as a sister company to world renowned Bang & Olufsen, B&O PLAY is firmly grounded in 90 years of design excellence, craftsmanship and product innovation. We don't just make headphones, we don't just design speakers and we are not simply in the business of electronics. We are in the business of goosebumps. Get yours at www.beoplay.com
