USE AND CARE INSTRUCTIONS

FOR BEST PERFORMANCE

Gotham Steel™ Frying Pan with Titanium Ceramic Coating is designed for cooking without oil or butter. If you choose to use oil or butter, always use it at the correct heat setting. For example, olive oil and butter should only be used over low heat.

NEVER USE NON STICK SPRAYS.

OVEN USE

Gotham Steel™ Cookware is oven safe up to 260°C / 500°F.

WARNING: Use oven gloves to avoid any risk of burns from handling of hot cookware.

For use with all cooktops.

CARE AND CLEANING

Gotham Steel™ Cookware can be washed in a dishwasher or by hand.

CAUTION

To avoid risk of fire, and to keep your Gotham Steel™ Cookware in its best condition, never leave anything cooking unattended. Never allow anything to boil dry in the cookware. Excess temperature can cause discolouration of the cookware. If this occurs, do not remove the cookware right away, but turn off the heat and allow it to cool naturally. Be especially careful when children are around.

NOT SUITABLE FOR CHILDREN

**FOR BEST RESULTS WHEN COOKING EGGS
USE LOW TO MEDIUM HEAT.**
