

Affordable printing from your mobile devices

HP DeskJet 2600 All-in-One series

Easily print from your
smartphone or tablet¹

Wirelessly print,
copy, and scan²

More ink,
more savings³

Save time and money with HP's most affordable wireless all-in-one.⁴ With hassle-free setup and easy printing from your mobile devices,¹ the HP DeskJet 2600 All-in-One series makes everyday printing simple.

Easy setup from your smartphone

Use your mobile device to set up your new all-in-one and connect to your local wireless network.^{2,5} The intuitive HP All-in-One Remote app walks you through every step—right on your smartphone or tablet.⁶

Just the features you want

Easily accomplish everything you need to—print, copy, and scan with one convenient all-in-one. Plus, enjoy effortless printer management with an easy-to-use control panel.

More pages with XL cartridges

Print sharp black text and vibrant colour pages while enjoying up to twice as many pages per cartridge with optional HP high-yield ink cartridges.³

Take the stress out of setup

Download the easy-to-use HP All-in-One Remote app to set up the device right from your smartphone or tablet.^{5,6} This intuitive app provides easy-to-understand images and text to help you complete the setup process.

1

Plug in the device

With minimal packaging, you can unbox and power up the device in just minutes. The compact design makes it easy to place your all-in-one right where you need it.

2

Set up in a snap

Download the HP All-in-One Remote app at no cost from your mobile device app store. With easy-to-follow steps and instructions, setup is quick and hassle-free.⁵

3

Manage effortlessly

Manage printing tasks and scan directly from your mobile device with the HP All-in-One Remote app.⁶ Quickly send scans to email or cloud storage and check your ink status before you print.

Easily print from a variety of smartphones and tablets

Enable multiple users to wirelessly connect and print to the all-in-one from their mobile devices—anywhere in your home.^{1,2}

Your device, your choice

Easily print documents, photos, and more from your iPhone and iPad using AirPrint, and from smartphones and tablets running Android™, Windows® 8, Windows 10, and Google Chrome™ operating systems.¹

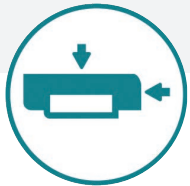

No network, no problem

Enable multiple users to connect their smartphone or tablet directly to the all-in-one and easily print without accessing a network.⁷

You can also connect the device directly to your PC or laptop using the convenient USB port.

Get just the features you want

Colourful, compact design

Put your printer wherever you want thanks to a compact, all-in-one design. Choose the accent colour that complements your space.

Hassle-free operation

Print, copy, and scan with one convenient all-in-one. Featuring an LCD screen and minimal buttons, the control panel is simple and intuitive.

Convenient output tray

Don't fret over paper jams with a tray that allows for seamless, unattended printing. The enclosed tray minimises space when closed and holds 25 sheets when in use.

More ink, more value

Innovative ink cartridges

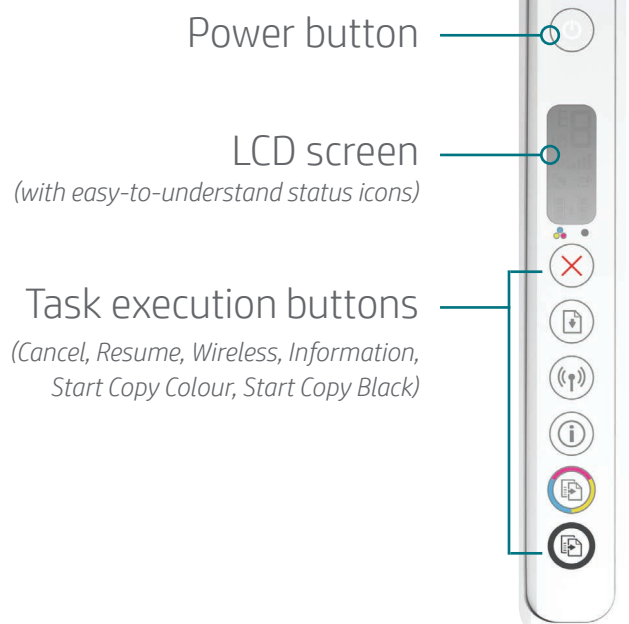

Get high-quality prints—time after time—with Original HP ink cartridges, designed to deliver worry-free performance and consistent results you can count on:

- ✔ Get the most out of your cartridge with advanced supplies.
- ✔ Rely on Original HP ink cartridges—built and tested with your HP printer to deliver high-quality results.
- ✔ Print up to twice as many pages with optional Original HP high-yield ink cartridges.³
